HOW TO GET THERE...

Take White Lake Road to White Lake, continue past Parri Road, then you will come to Kilometer O sign, just before the dirt road, then a sign for Parri Creek-Forest Road will be on left, White Lake Park is on the right, (you can ride up to the trail head from a road to left just before bridge), cross wooden bridge stay on logging road, cross cattle guard, when you reach road junction, follow sign for Herman Lake, trail head on right if you cross another cattle guard you have gone to far. It is approximately 12 kilometers from the beginning of Parri Road.

For all the out of towners who may be interested in visiting this camp, call Gord Scafe or Dianne Burke if you need more information.

Don't forget this is a "Leave No Trace Camp" take out what you bring in. Enjoy the stay.
