Please stay on the trails. All horses should be shod. Respect all wildlife and Range cattle. Pick up after your dog and keep them under control at all times. Pack out all of your garbage. Take only pictures, leave only footprints.

These trails are maintained by the Back Country Horsemen of BC and the Horse Council British Columbia in partnership with Recreation Sites and Trails BC. For more information visit: bchorsemen.org hcbc.ca sitesandtrailsbc.ca

First Nations Heritage - Skull Mtn.
The legend says that when Thunder Bear tried to come back to life, his head grew and grew and became Skull Mountain. To this day, Skull Mountain is considered a sacred site where Secwepemc people hold traditional practices of both fasting and going there for a first kill ceremony. If you are interested in knowing more about this, please refer to the Heritage Conservation Act www.tsa.gov.bc.ca

Avoid surprising bears
Travel in groups
Carry bear spray
