**TRAIL ETIQUETTE**

For your own safety and the preservation of the park, obey posted signs and stay on designated trails.

- Hikers, horseback riders and mountain bikers use this area. Park visitors should familiarize themselves with proper trail etiquette when there are multiple trail users.
- **Mountain bikers must yield to hikers and horses.** When meeting horses, dismount and wait on the downhill side of the trail. When catching up to a string, be patient — the riders will pull aside at the first location that has enough room to let you by.
- **Mountain bikers must stay on designated trails.**
